## Synopsis :

Get your students talking with these themed conversation classes consisting of a set of conversation cards and an activity sheet containing relevant vocabulary, idioms and grammar points. The basis of a good conversation class is giving learners a reason and an opportunity to speak and scaffolding that speaking with lexis and grammatical structure as it is needed. The activities in this book are intended to facilitate and support rich and stimulating conversation and are not designed to produce standardised lessons. Each unit contains many possible branching off points which can be pursued in more depth.
