Synopsis :

Review Praise for I Had A Nice Time And Other Lies... 'Guys are a nightmare. Dating is a nightmare. I'm a nightmare. But this book makes sense of it all, which is all I could ask of a romance novel. This was a romance novel right?' (Babe Walker, New York Times bestselling author of PSYCHOS: A White Girl Problems Book)'A necessity for any girl who doesn't want to die alone. Blunt, irreverent, and oh-so-spot on, I only ever want the cold, hard truth from a betch.' (New York Times bestselling author Jessica Knoll)'Are you a betch looking for love? The meme queens behind online phenom @Betches pack their dating bible with Beyoncé quotes, Bridesmaids references...and legit advice.' (Cosmopolitan)Praise for The Betches "If you're not following [the] Betches already, then what have you even been doing all this time on Instagram?" (Vogue)"Because we're all a little betchy." (Buzzfeed)"The creators of Betches Love This tackle life's difficult challenges (frenemies, boyfriends, hangovers) with a satirical guide about 'how to win at basically everything.'" (Marie Claire, on NICE IS JUST A PLACE IN FRANCE)"Few . . . skewer the artificial life so sharply." (Rolling Stone)[The Betches'] website and bestselling book...are satisfying because they're anthropologically detailed and because they spell out stuff people think but don't always want to say out loud, just like a good shit-talking betch should.' (Jezebel, on NICE IS JUST A PLACE IN FRANCE) Read more About the Author The Betches were born knowing exactly what they want and how to get it.
