Synopsis :

About the Author Jamis Buck is an alumnus of the Ruby on Rails core team, and has worked at Basecamp (formerly 37signals). He's been active in open source for years, and has a deep passion for learning. Some years ago he began researching and writing about maze algorithms, and the bug never left him. He's probably lost in a maze somewhere, right now. Read more Mazes for Programmers: Code Your Own Twisty Little ...www.amazon.com > Books > Computers & Technology > Programming...
