## Synopsis :

About the Author Marcelo Reyna Marcelo Reyna is an industrial engineer and a fellow business owner (RetroSoda LLC). While building his company, he realized many business processes could be automated, which is when he decided to take up programming full time. As soon as he realized that programming is his passion, he dedicated 3 years to deeply understand all the aspects of the Meteor framework and how to take web applications built on this into production. Today, he is an avid programmer involved in the technology start-up scene.
