Synopsis :

Amazon.com Review "Modernist Cuisine is a landmark contribution to the craft of cooking and our understanding of its underlying principles. Its scale, detail, and eye-opening graphics are unmatched by any other book on the subject. It will be an invaluable resource for anyone with a serious interest in cooking techniques, whether the professional innovations of the last few decades or the long traditions on which they build."—Harold McGee "The most astonishing cookbook of our time."—Katy McLaughlin, Wall Street Journal "Big, beautiful, and worth the hype... it is the answer to everything you wanted to know about cooking, not to mention so many things you never thought about."—Andreas Viestad, The Washington Post Read more Review If the uncertainty of the New Year has you feeling a little anxious, let us make a suggestion: Get yourself a food calendar. A food calendar won't necessarily make you feel at ease and it won't give you insight into how the Donald Trump administration is going to play out. But it will give you something pretty to look at every single day. And that's something. We're talking beautiful food photography, close looks at modernist cuisine and fun food illustrations. Here are seven calendars that will make 2017 feel a little bit sweeter. #1 Modernist Cuisine 2017 Wall Calendar --Huffington Post --This text refers to the Calendar edition.
