Synopsis :

About the Author Bob Bryla has more than 20 years of experience in MIS, ranging from database and data warehouse design to system administration on multiple hardware platforms. He is currently lead designer and data analyst for Land's End's online store database and handles the DBA activities on Land's End Oracle Internet databases. Kevin Loney was named Consultant of the Year by Oracle Magazine in 2002. He is an internationally recognized expert in the design, development, and administration and tuning of Oracle databases. An Oracle developer and database administrator since 1987, Loney has designed and implemented both transactional processing systems and data warehouses.
