Synopsis :

Review '[A] wealth of relevant material for scholars...The Cambridge editors are to be commended for a Herculean labor, for which all those who work on Lawrence owe a huge debt of gratitude.' Earl G. Ingersoll, SUNY College at Brockport --This text refers to the Hardcover edition. Read more Book Description Studies in Classic American Literature, first published in 1923 and long out of print, provides a cross-section of Lawrence's writing on American literature, including landmark essays on Benjamin Franklin, Fenimore Cooper, Edgar Allan Poe, Nathaniel Hawthorne, Herman Melville and Walt Whitman. This volume offers the final 1923 version of the text in a newly corrected and uncensored form, as well as earlier, often very different, versions of many of the essays, and a host of other materials, including four different versions of Lawrence's pioneering essay on Whitman. --This text refers to the Hardcover edition.
